The Cybersecurity and Infrastructure Security Agency (CISA) and Multi-State Information Sharing and Analysis Center (MS-ISAC) are partnering to bring a special, one-day conference to Anchorage. Together, we are bringing in key players from the world of government cybersecurity, including FBI Anchorage, to provide actionable information to the State, Local and Tribal governments and public entities of Alaska. This **free** conference will give access to workshops, and panel discussions on Incident Response – the Cyber Grant Program – Threat Intelligence – Elections Security – and many other topics. [Register](#) today for an opportunity to meet your peers and learn about all the no-cost MS-ISAC and DHS funded resources that are available to you. Lunch is provided.
